

## Route to Accredited Membership: Post-Qualification Experience & Training

### Written Statement Guidelines

Please present in sections - as per below:

#### Knowledge and understanding

- Describe how you work with clients with reference to the theory / theories that underpin your practice
- Describe how your understanding of theory has been influenced by your experience of client work

*Maximum recommended word count = 1000 words in total*

#### Practice & Supervision

Provide case material and demonstrate:

- How your practice is consistent with your knowledge and understanding of theory
- How your practice demonstrates your awareness of issues of difference and diversity
- How you make use of the National Hypnotherapy Society Code of Ethical Practice
- Describe the awareness you have gained through reflection in and on supervision
- Show how you apply that awareness in your practice

*Maximum recommended word count = 2000 words in total*

#### Self-awareness

- Describe an experience or an activity which has contributed to your own self-awareness
- Provide a reason(s) for choosing the experience or activity
- Show how you use this self-awareness in your practice

*Maximum recommended word count = 900 words in total*

#### Continuing Professional Development (CPD)

- Describe one CPD activity that you have undertaken in the 12 months before applying for MHS Accred.
- Explain why you chose this activity and how it has influenced your practice

*Maximum recommended word count = 900 words in total*
